* Note: do not complete where it says "Charity Pin Code" as this is not needed.
5. In another drop down menus, you can choose "Create Scotiabank Charity Challenge Fundraising Account" to become part of our team (this step is required even if you are not fundraising; we still want you to be a part of **TEAM PRESCOTT**!)
6. Create your username and password.
7. You have the option to set a fundraising goal and/ or give a personal donation.
8. Proceed to the checkout page by clicking "continue to payment." Fill out the information required and click "submit order."
