NEW FEATURE: Guest Client Editor

Each quarterly issue will include a Guest Client Editor who will support staff through such tasks as proofreading, submitting story ideas or taking pictures.

Maggie Fesmire (pictured left), a client since 2008, is our first Guest Client Editor. In the New to You/ Online Auction program, she primarily works on the Kinsmen Bingo contract. Her interests include animals and anything related to the Tudors.

As Maggie notes, she enjoys coming to Prescott: ***"I like Prescott Group because I feel accepted and valued. The work is fun and challenging. People here are awesome and good to work with. I enjoy the bingo contract because I have to use my math skills."***

Thank you for your help with this issue, Maggie!

Employment Services Moves to Bayers Road Centre

"We went from a cramped office shared by three job coaches to a new space where more clients can access services. The possibilities are endless." - Heather, Supervisor, Employment Services Program

The move not only brings this program closer to like-minded organizations such as Metro Works and Stone Hearth Bakery, but allows the program to expand its services. More opportunities for training and meaningful work is life-changing.

You can visit the Employment Services team (see left) at 7071 Bayers Rd, suite 153 or call (902) 444 -2011.

We need a van: Prescott Van Fund

Through Team Prescott at the Blue Nose Marathon, we've raised \$17,000. Vans are expensive; we need your help to make a van a reality. Donate **online** or call Janet (902) 454-7387 ext 21.

For many years, Prescott Group has wished for a vehicle to transport clients to programs and activities around the city.

A Prescott Group van could give more chances for clients to interact with the Halifax community beyond our walls; giving more chances for our clients to know the city and for the city to know the people we serve.

Once we have the opportunity to go places, there is no stopping us!
