

Seamstress / Instructor (full time)

"Doing what you like is freedom...
liking what you do is happiness"

Suppose we told you:

- You can become part of a team whose mission is to enhance the lives of others
- You have the opportunity to use your sewing skills to produce a variety of canvas products
- You can work in an atmosphere that is friendly, sharing and welcomes your creative ideas to assist in the development of products for our social enterprise

Does that peak your interest? *Read on...*

At **Prescott Group** we operate **Atlantic Bag Manufacturers**, a social enterprise that allows our clients, who are adults with intellectual challenges, to refine their skills. We need someone like you, who can assist us in the production of sewn canvas products in order to meet customer need.

What do you need to be a successful applicant?

- Refined sewing skills
- Desire for a leadership role
- Business acumen
- Strong Communication and Leadership skills
- Attention to detail
- Commitment to the production of quality products
- Ability to work independently
- Kind and caring personality

What can you expect?

- Competitive pay and benefit programs
- The chance to do what you love and to help develop transferrable skills in others
- Opportunity to share your talents and work with a terrific group of individuals who are eager to learn

If this job is speaking to you, please send a copy of your resume and cover letter by **November 5, 2018** to:
