GROWING COMMUNITY

Across the street from Prescott is [Prescott Street Community Garden](#).

For the growing season, Life Skills programming includes nurturing two garden plots: planting, weeding, watering and harvesting for clients in all program areas. Harvested herbs and vegetables will be used in [Prescott Bakery](#). Some great examples include spicy pickled beans and pickled beets which will be for sale at our [Annual Tea & Sale](#) event in November.

What we've planted: beans, beets, cucamelon, herbs (basil, mint, oregano, rosemary), jalapeno peppers, kale, potato, snap peas, strawberries, zucchini
