

CLUB INCLUSION

Hello Club Members!

Summer Camp 2025 registration is now open!

You can find information and the dates of this year's camp weeks online [HERE](#).

Club Inclusion Summer Camp registration is currently open to people who regularly take part in our programs throughout the year, and whose fees are up to date.

Club Inclusion does its best to give as many of its members as many weeks as possible, and does not use a "first come first serve" registration. We cannot guarantee that you will get all the weeks you ask for. You have a greater chance of getting more weeks of Camp if you are flexible about the weeks that you can attend and choose the "Lucky Dip" option below.

Once registration closes we will contact you with your confirmed weeks and additional camp forms.

Please note: we are not able to offer more than four weeks of Camp to any one person. Most people can expect to get ½ the weeks they ask for.

Please complete and return the information on the next page via email before 3pm on April 20th.

Because of the demand for these Camps is very high we cannot guarantee that you will get all the weeks you ask for.

When making decisions about 1:1 support, we will err on the side of caution to ensure the safest Camp experience for everyone. This is a busy camp and we are ambitious in our programming.

Our 1:1 Support Policy is as follows:

You will need to bring a support worker, or helper, if you need it for any of these safety reasons:

- If you might leave on your own and this would not be safe for you
- If you might have behaviour, or impulse control issues, that would make it unsafe for you or for others
- If you have severe health issues that mean you need to have trained medical support with you at all times.

We may ask you to bring support for outings or selected activities if you are not able to independently participate fully or safely, or if there may be a trigger for unsafe behaviour.

In order to ensure that we can provide the right level of support and the very best Camp experience for you, we ask that you please give us as much information as you can in the lead up to Camp. We will truly try our utmost to make the accommodations you need. However, if during Camp we find that you are not able to participate safely without 1:1 support, and you have not told us about this in advance, we may ask you to leave. If you are in any doubt at all about whether you need 1:1 support, please contact our General Manager. We will be very happy to talk it over with you.

We strongly recommend that you ask your support workers for Criminal Record Checks with a Vulnerable Sector Check and Child Abuse Registry Checks.
