

FOR IMMEDIATE RELEASE

**Howdy Neighbour: Get Prescott Bakery's "Good Neighbour" sweet burger & fries for one night only**

March 19, 2019

Halifax, NS – Prescott, a training centre for adults with an intellectual challenge in Halifax, wants to get to know you better. A part of the North End Halifax neighbourhood since the mid-1980s, Prescott strives to be a good neighbour through our dedication to "building people, building Halifax."

In celebration of pre-Halifax Burger Week, Prescott Bakery, a social enterprise of Prescott, whips up something sweet for all of Halifax's burger lovers.

**Get your "Good Neighbour" sweet burger & fries for one night only at Good Robot Brewing Company on Monday, March 25, 2019 as part of a GoodWillBot event.**

The burger (French vanilla cupcake bun, brownie burger patty, marshmallow fondant cheese and lettuce with buttercream condiments) comes with fries (pie crust) and ketchup (Prescott Bakery's strawberry rhubarb jam) for \$8. Made with care by Prescott clients.

All proceeds benefit adults with an intellectual challenge in Halifax. Good Robot Brewing Company will also donate \$1 for each pint of Good Robot beer sold.

Be neighbourly, curb your burger craving and sweet tooth in one place. Meet Prescott staff and clients, purchase Prescott products and enter to win a Prescott prize package.

Let us show you how we sweeten up the neighbourhood!

**About event:**

Date: Monday, March 25, 2019

Location: Good Robot Brewing Company (2736 Robie St, Halifax, NS)

Time: 5:00pm-8:00pm

**About Good Robot Brewing Company:**

A community-minded brewery, bar, and beer garden in the heart of Halifax's historic North End.

Makers of beers known to be *"eclectic, eccentric, and untrue to style, fraught with foraged materials, impulse decisions, and whimsy."*

**About GoodWillBot:**

*"Every Monday a different nonprofit organization enters our taproom to engage our patrons, potentially recruit new members, and receive \$1 of each pint sale that evening. We try to support many community incentives, focusing on underserved communities and communities fitting the interests of our diverse clientele."*
