## A Message from Louis Brill, Executive Director:

With the **17th Annual Tea & Sale** only days away and our Christmas Dinner & Dance quickly approaching, Prescott is buzzing with activity and excitement!

Awhile back we met with a group of client family members who highlighted the need for more regular communication. In response, we are happy to present this quarterly newsletter to keep all our stakeholders up to date. With features that include the client voice, this newsletter's purpose is to not only to inform but welcome you to

become a part of Team Prescott in the days ahead.

Looking forward to seeing you soon, **Louis**

### Guest Client Editor

Each quarterly issue includes a Guest Client Editor who supports staff through such tasks as proofreading, submitting story ideas or taking pictures.

**Randy Hatcher** (pictured left with Instructor Charlene), a client since 2013, is this issue's Guest Client Editor. In the Prescott Mailing Services program, he is happiest cleaning and organizing. For instance, he keeps track of all client and staff birthdays and anniversaries. He makes sure to put these special days on the calendar so we don't forget.

As Randy notes, Prescott is a great place. ***"I like Prescott. I like spending time with my friends."***

Thank you for your help with this issue, Randy!

### Building People, Building Halifax: New Brand, New Vibe

***You may have noticed a new logo at the top of this newsletter. Our new logo and motto better reflect who we are and who we strive to be.***

We are so excited to launch our new brand at the 17th Annual Tea & Sale on Saturday, November 17, 2018. You will notice new outdoor signage that includes the ***"We Can. I Can"*** message created by our Blue Nose Marathon team earlier this year. There are other changes too. Atlantic Bag Manufacturers will now be known as Prescott Custom Bags and Fireside Kitchen will now be known as Prescott Bakery. We are excited to have clothing and accessories with our new logo available for sale at the event. Josh, Randy and Ian

(pictured above) proudly model new Team Prescott shirts.

**We know our brand is much more than just a logo. It is what we do and who we**

**are.** Our new brand highlights our creative, innovative and passionate people committed to enhancing the lives of adults with an intellectual challenge in Halifax.
